Warners Bay Cricket Club

Where Community, Family and Sport come together

Established in 1930, the Warners Bay Cricket Club (WBCC) stands as a proud and enduring pillar within our community, embodying a rich legacy of sportsmanship and camaraderie.

As a family-oriented club, we are deeply committed to fostering an inclusive environment where players of all ages and abilities can thrive.

Our dedication to community engagement is exemplified through our ongoing partnership with All Ability Sports Coaching, a local organisation that creates opportunities for cricketers of all skill levels, including those living with physical and intellectual disabilities.

Our club's vibrant spirit and dedication to inclusivity ensure that everyone has the chance to experience the joy and excitement of cricket, making WBCC not just a club, but a cherished community hub.

Our Story

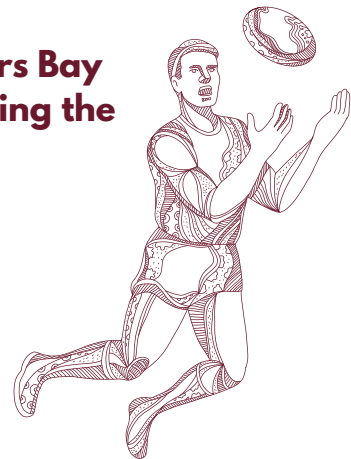

Feighan Oval & John Street Oval

We host our home games at Feighan Oval and John Street Oval in Warners Bay, both of which are conveniently situated in well-known public spaces within the suburb and the broader Lake Macquarie Local Government Area.

Surrounded by the breathtaking scenery of Lake Macquarie, our top-notch facilities are located amidst the vibrant business and dining district along The Esplanade, Warners Bay. On game days, particularly during the relaxed Saturday afternoons, foot traffic is usually at its highest.

We also share these excellent playing fields with Warners Bay Football Club and Warners Bay AFL who utilise them during the winter.
